Week of October 26-30

The contractor has provided this tentative project schedule for the work next week:

Water Line Installation continues working from the Plains Road toward S. Madison Street. This operation will be moving progressively from West to East. The Closed area of Roadway will change every day.

Additionally, a crew will be installing underground conduit for the new streetlights from the Exxon Gas Station progressing toward S. Madison Street. They have not committed to the date on which they will show up, but it was tentatively scheduled for Monday.

Expect to see two different flagging operations in Town for the Majority of the Week. Please stay alert.
